KASES Network Memo No. 22

TO: Staff, Division of Child Support Enforcement
All IV-D Agents

FROM: Steven L. Blank, Director *SLB*
Division of Child Support Enforcement

DATE: October 4, 1993

SUBJECT: Issuance of the Monthly Notice of Collections (Form
CS-124) by KASES

KASES has now been programmed to issue the CS-124 on a monthly basis. This revised CS-124 is discussed in KASES Network Memo No. 11, dated December 1, 1992.

The first monthly notice issued by KASES will be sent the first week of October and will combine collections received from January, 1993 through August, 1993. Information on September's collections will be sent around the middle of October and subsequent notices will be issued monthly.

The notice will be sent only in those cases in which collections were received and posted to AFDC current support or AFDC arrearages. That is, a notice will be issued to an NPA client only if money was received and posted to a previously existing AFDC arrearage.

The CS-124 will list the amount collected from each absent parent. It will also report how much of the total collection was applied to current support, how much was applied to arrearages, and how much was sent to the family. DEFRA disregard payments and payments forwarded to clients as a result of tax refund intercept also will be included in the report.

Generation of the CS-124 by KASES will create a case event.

Copies of the notice will be put on microfiche which will be provided to each area office.
